

Hello Everyone,

If you have heard from me before please ignore this message.

If not welcome and thank you for volunteering for the bike race this coming Sunday. For the new sign up read the flyer that we had gone over at the volunteer meeting on Monday June 1st. It is called the [Race Marshal Arts](#) and kind of gives you an idea of what to expect on race day.

If you have signed up to be a volunteer for a position other than course marshal or security and have not been contacted it means those positions have been filled. Hopefully you will consider becoming a course marshal or security person, as these are very important positions on the course.

Volunteers that wish to be stationed in the Center City or Lemon Hill area need to report at 7am on race day to the volunteer tent located at the top of Kelly Drive between the Art Museum and Pennsylvania Avenue. A gentleman named Steve Blau will be handling the marshals in these areas. If you have done it before in a particular area in the past and would like to be assigned there again please let him know this.

Volunteers that wish to be stationed in the Manayunk area are to meet me at the North Light Community Center, 175 Green Lane, Philadelphia, PA 19127, at 8am on race day. You will be positioned along the race course in Manayunk where needed. T-shirts and whistles, unless you already received them from our meeting, will be handed out to you at this time.

Unfortunately there are no parking passes for anyone that day either in Center City or Manayunk. On street parking will be available that day away from the race course.

For those of you who volunteered and have had a change in plans and will not be doing it this year, we will miss you and hope you will come back and join us next year.

Thank you again and I hope to meet you on race day.
